

Up to 12,000 people, in limbo for 10 years, still seeking justice as refugees

Subjected to the flawed and unfair temporary protection 'Fast Track' system, these people urgently need to be granted permanency in Australia.

Under current Government Policy, they have:

- ◆ NO security: living in fear of being returned to danger in their homelands.
- ◆ NO permanent home.
- ◆ NO right to unite with their parents, children or families.
- ◆ NO recognition of their contributions to Australia over the last 10 years. They pay taxes when allowed to work.
- ◆ NO chance to become an Australian citizen.

You can help them receive permanency, putting an end to 10 years of living in trauma under a shameful policy
